Paradise Elementary

Paradise Elementary

On November 8th, Paradise Elementary, a school of 570 students, burned to the ground from the devastating Camp Fire.

Sonora Elementary will be hosting a 'fill the bus' event, collecting school supplies to donate to Paradise Elementary School. Having lived through our own devastating fire in 2013, we know how it was so important to have the support we received to get us back on our feet.

We are asking for your help in donating any school supplies or gift cards.
