Student/Parent Handbook

Notification of Rights & Responsibilities

August 2020

Dear Parents/Guardians of Sonora Elementary Students,

No matter what this school year has in store for us, we are going to make it work the best we can. We have the strength to overcome anything, with the Bobcat Spirit. No matter what format of education we do together, and how it most likely will change as the year progresses, we are very happy you have chosen for your child to be a part of the Sonora Elementary family. We are proud of our long history in this community, the services and experiences that we provide, and are always looking to improve.

This document serves as a notification of rights and responsibilities and our parent/student handbook, providing detailed information about our entire school system. We encourage you to read this handbook and discuss with your student information that is pertinent to their success. As always, we encourage you to stay connected to your child's teacher(s), your student's educational experience, and all of the wonderful ways that you and your child can participate in educational and recreational experiences at SES, throughout the year. We hope soon, we will be able to return to those fun, on-site activities. No matter what obstacles we face, we will make it a great year at SES!

Sincerely,

Chris Boyles
Principal

As the parent of a student you have many rights and responsibilities. This booklet talks about many of those and laws, policies and statutes which cover them. We recommend you read it.

Teachers build your child's education one day at a time, so every day is essential. In elementary, middle, junior, and high school, moving ahead, or even graduation, can be put in jeopardy if too many days are missed. Work with the teacher when a child must miss school. Get homework assignments and review work. There is only one chance to get a great education.

MISSION STATEMENT

We believe that the school experience should be safe, positive, and successful, while contributing to the physical, social, and mental well being of the child.

We are committed to:

- Challenging all students to reach their full potential by encouraging natural curiosity and a love of learning
- Promoting character development that emphasizes responsibility, self-discipline, compassion, honesty, integrity, and respect
- Fostering parental involvement to maximize student success
- Providing a balanced educational program, which includes fine arts, technology and physical fitness
- Ensuring that staff has multiple opportunities for professional growth and development

ROLES AND RESPONSIBILITIES

■ Staff Roles & Responsibilities

The Board of Trustees is responsible for setting policy, for seeing that policies are carried out, for seeing that the school operates within its budget, for hiring a superintendent who will carry out school policies and who will plan and implement an effective educational program. The Board of Trustees meets regularly on the second Wednesday of each month in the library at 5:30 p.m. You are encouraged to attend these meetings.

The District Superintendent is the chief executive officer and is responsible for carrying out the policies of the board. The superintendent, Mr. John Baker, also supervises the general district school program, transportation, and the buildings and grounds. He is responsible for the implementation and supervision of state standards for instruction and assessment. All individuals employed by the school district are responsible to the superintendent.

The Principal is primarily responsible for classroom instruction, campus safety and student character development. The principal will assist the superintendent with school programs. The principal, Chris Boyles, will also administer special education, character education, attendance, school safety, disaster preparedness, curriculum, instruction, and independent study.

The Classroom Teacher is responsible for teaching the school's curriculum, for creating daily lessons, and for establishing a positive learning environment for each child. If for any reason, you believe that your child's particular educational or emotional needs are not being met in the classroom, please make an appointment with your child's teacher. By sharing your insights as a parent with your child's classroom teacher, you can help him or her to better meet your child's needs.

Classified Employees are primarily responsible to support the daily operation of school. Whether they are paraprofessionals assisting the teacher in the classroom, custodians, school secretaries, or food service staff, these professionals are committed to supporting the smooth operation of our school.

■ Parent Involvement

Support Sonora School (SSS)

Support Sonora School (SSS) is our parent teacher organization and is very active on our campus as a support to teachers and programs. SSS sponsors special activities and programs for children; fundraisers for equipment and field trips, etc. Please support our school and SSS through your participation. Volunteer to serve on a committee if you can. Research shows that parent involvement in schools can accelerate student achievement and enhance school programs. It will also make you feel more a part of your child's education.

School Site Council

The open exchange of ideas between the people at school and the people in the community is what makes the public schools truly public. The School Site Council is a vehicle for the exchange of ideas. The School Site Council is charged with developing the school site (instructional) plan and evaluating the school program annually. Members of the School Site Council are elected to represent the parents, the teachers and the support staff. Visitors are welcome to attend the meetings.

Deliveries and Messages

When you have a message for the teacher or the child, they need to be called into the office by 1:30 p.m. If your child has already entered the school bus, to keep the efficiency of our school transportation, you may not call and ask them to be removed from the bus to pick them up at school. If you are going to pick up your child after school, please send a note to the teacher that morning NOT to send them on the bus. Without a note or a message, when the buses leave, the child will be on it as usual. Please do not give your child verbal instructions to do something that we cannot honor. It is Sonora Elementary School's policy that flowers or balloons will not be delivered to students in the classroom for special occasions.

■ Visitors & Parent Volunteers

Any person coming onto campus must report to the School Office, sign in, and get a visitor's pass. People on campus without a visitor's pass will be asked to report to the office to sign in. Parents wishing to volunteer on campus must complete a Parent Volunteer Agreement and participate in a mandatory parent volunteer training,

which lasts approximately 30 minutes. Parent volunteer information is available in the School Office.

ENROLLMENT AND ATTENDANCE

■ Attendance Options

The governing board annually reviews attendance options including how students may attend a district school outside their attendance area (intra-district transfer). This district has non-arbitrary rules explaining how students may apply, be accepted or denied intra-district transfer. Many districts, by agreement, also allow the transfer of students from or to other districts (inter-district transfer). Victims of bullying or violence are given preference in intra- and inter-district transfers. In some cases, the district must provide transportation. Students attending “persistently dangerous” schools can transfer and enroll in a safe school. Districts cannot prevent children of active military from changing districts, as long as the district chosen agrees to accept them. Upon enrollment or transfer, principals are urged to check missing children information. Further information about residency, attendance options, special program options, etc. will be provided by the California Department of Education. [EC 46600, 48204, 48204.7, 48206.3, 48300, 48301, 48306, 48853.5, 48980, 49068, 51101; 20 USC 7912]

1. Interdistrict Attendance

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts.

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student’s permit.

Upon receiving a permit for transfer into the district that has been approved by the student’s district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement. [BP 5117 February 2020; EC 8151, 41020, 46600-46610, 48204, 48300-48317, 48900, 48915, 48915.1, 48918, 48980, 48985, 52317; CA Constitution Article 1, Section 31]

2. Attendance Where Caregiver Resides

If your child lives in the home of a caregiving adult, as

defined by law, or a foster home your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the caregiving adult is required to determine that your child lives in the caregiver’s home. [EC 48204(a), 48980(h); FC 6550-6552]

3. Attendance in District in Which Parent or Guardian is Employed

The district may, but is not required to accept a transfer student whose parent/guardian resides outside the boundaries of the school district but is employed and lives with the student at the place of his/her employment within the boundaries of the school district for a minimum of three days during the school week; or a student whose parent/guardian physically works within the boundaries of the school district for a minimum of 10 hours during the school week. [EC 48204(a)(7), 48980(i)]

4. Special Enrollment Allowances for Some Categories of Students

There are enrollment provisions for some students living in the District including foster, homeless, migratory, or military children: 1) they stay enrolled at their school of origin outside the District, 2) their Individual Education Plan (IEP) indicates attendance elsewhere, or 3) the parent or guardian, with knowledge of all options, declares in writing otherwise. In some cases, they also have rights to expedited enrollment in school, to attend classes and programs (pending proof of immunization), to after-school programs, and fee waivers. The school district and each school site have complete documentation of the rights of homeless, foster, migratory, military, and other special categories of students. [EC 48204, 48204.7, 48645.3, 48850-48859, 48853.5, 51225.1, 56055; 5 CCR 4622; WIC 361, 726; 42 USC 11301, 11431-11435, 11432]

Student Immigrant and Religious Rights

All school age children must be admitted to California Public Schools and be offered all programs accessible to other students. School districts cannot ask about a student’s immigrant (or migratory) or religious status. The state Attorney General has information about “know your rights”: <https://oag.ca.gov/immigrant/rights>. Immigrant students are still considered residents of their current school district even if parents are deported or are being held in custody. [EC 200, 220, 234.1]

■ Student Release Procedure

The welfare and safety of all of the students is imperative. For that reason we have established a student release procedure for those students who must leave the school grounds before the end of the day. We ask for your cooperation in complying with the following procedure: Either you as a parent or a designated adult (with permission on the emergency card) must come to the school

office and sign the child out of school. Your child will only be released to an adult listed on the emergency card, unless a phone call or note precedes the pick up time. Unless it is an emergency, students will not be called from class until a parent or designated adult, with proper identification, arrives in the office to sign out the child.

■ General Absences

Children cannot learn if they are not in school. Children learn early about being on time and not missing school; teach your child to be on time and that school attendance is an important family value. Daily school attendance improves student achievement. Children ages 6 to 18 years must attend every school day.

It is also important that you know the state only awards funding to school districts for actual attendance. The state does not fund districts for the excused absences listed below. Always review the school calendar and plan activities and vacations during days off. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

Other attendance reports, such as truancy, still rely on excused and unexcused absences. There are legal consequences if your child misses too much school. You must send a note and/or phone the school within 72 hours to clear any excusable absences. Parents/Guardians have the right to be notified on a timely basis if their child is absent from school without permission. Unexcused absences are recorded as a truancy.

A. Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

1. Due to the pupil's illness.
2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
4. For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
5. For the purpose of jury duty in the manner provided for by law.
6. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.
7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious

retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

8. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 9. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 10. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
 11. Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.
- B. A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- C. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- D. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- E. "Immediate family," as used in this section, means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil. [EC 48205, 48205.5, 48260]

Districts may allow students, with parental or guardian consent, to be excused to participate in moral or religious exercises or instruction. [EC 46014]

■ Reporting Absences

Every absence must be cleared through the school office by phone on the day that the student is absent from school or the absence will be recorded as an unexcused

absence. Please telephone our school attendance office to communicate the reason for absence. Please always use your child's first and last name when communicating with the attendance office and the date(s), reason for the absence, and your name. Only illness, a doctor appointment or a death in the family are considered legal excused absences.

■ **Make-up Assignments**

Students are responsible for making up all classwork and homework assignments when absent. While grade/credit cannot be reduced due to an excused absence, the student must make up all the work in order to receive credit. If a student is absent for 3 days or longer, assignments can be obtained by calling the office. Please allow one full day before picking up assignments.

■ **Tardies**

We expect students to arrive to school on time and be ready to learn at the start of the school day. When students arrive late to class, it disrupts the learning process in the classroom for the teacher and the students. We also understand that families will have circumstances that will cause the student to be late on occasion.

■ **Emergency School Closure**

Schools may close in the case of a natural disaster such as an earthquake, a fire, a flood, or an epidemic/pandemic like COVID-19. School officials rely on the expertise and advice of public health and safety officials in these decisions. Other means of delivering instruction will be used as possible.

■ **Minimum Days/Pupil Free Staff Development Days**

If your child will be affected by minimum days or staff development days, we will give you at least one month's notice. The dates that were known at press time are printed in the calendar in this booklet. [EC 48980(c)]

■ **Snow Days**

In the event of snowstorms, which may cause difficult driving conditions, Sonora Elementary School will adjust to such conditions. Only the most severe storm(s) will affect closing school. Closure of school may result in either reducing spring vacation or extending the school year. Parents will be notified through our automated school messaging program, through a voice recorded message and/or text message. Notification of a school closure or delayed start will also be made available on our school website at www.ses.k12.ca.us, on mymotherlode.com, and on radio stations KKBN, 93.5 FM; KVML, 1450 AM; and KZSQ, 92.7 FM, which broadcast these changes frequently throughout the morning. Parents are encouraged to send their students to school on the regular school buses. The buses are

equipped to deal with the elements and drivers are trained to operate the buses in a safe and effective manner.

■ **Short-Term Independent Study**

If you plan to have your child out of school for five days, please contact the attendance office to set up a short-term independent program, ten school-days in advance. A short-term independent study program is for absences of five to ten days and allows your child to receive the work while they are out of school. When your child completes the work in its entirety, they will get credited for attendance during the absences. To be eligible, the student must be maintaining passing grades, has not been classified as truant or under a SARB contract, and has had no previous incomplete short-term independent study contract in the past. Please keep in mind, it is difficult to replace the classroom instruction that occurs during your child's absence, so upon their return, anticipate your child being behind and absences of any kind should be avoided, if possible. No short-term independent study requests may be made after May 1st.

■ **Individualized Instruction**

You must notify the school if your child has a temporary disability and cannot attend regular classrooms. If your temporarily disabled child is located outside your school district, notify both the district where your child resides and where the child is located. Within five (5) days of notice, the district(s) will determine if the student qualifies, and within five (5) days of the determination commence instruction in the home or in a hospital or other residential health facility. The district(s) will notify you if your child qualifies, when instruction will begin and for how long it will continue. Each hour of instruction at home or in a facility will count as a full day but cannot exceed 5 days per week nor the number of days in the school year. [EC 48206.3, 48207, 48207.5, 48208, 48980]

■ **Pregnant or Parenting Students**

Pregnant or parenting students who are 18 years old or who have permission from their parent/guardian may have excused leave for up to 8 weeks or more without having to complete schoolwork or other requirements, or being subject to penalties. They may return to the same school and courses where they are provided time to make up work. They may choose to attend an alternative program with access to comparable courses, programs and activities. They may have a fifth year to complete high school graduation requirements unless administration determines they are capable of completing graduation requirements in four years. Complaints about these rights can be made using the Uniform Complaint Procedure. [EC 46015, 48200, 48980]

■ **Truancy**

The state defines three levels of truancy, each carrying

more severe penalties for both the student and the parents or guardians. The three are truant, habitual truant, and chronic truant.

Truant: A student is truant after missing three days of school or three 30-minute periods without a valid excuse.

Habitual Truant: If a student is truant three or more times in a school year and an effort is made to meet with parents, then the student is a habitual truant.

Chronic Truant: A chronically truant student has missed 10 percent or more school days in a school year.

Interventions: Students who are habitually truant, miss a lot of school or disorderly can be referred to a student attendance review board (SARB), a district attorney mediation program, or the county probation department. Through these programs the student can be given guidance to meet special needs for improving attendance or improving school behavior. The goal is to intervene before a student enters the juvenile justice system or drops out.

■ Notice of Alternative Schools

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. [EC 58501]

INSTRUCTION AND CURRICULUM

Sonora Elementary fully implements the California

State Standards. Our staff is committed to teach and assess these standards, meeting grade level expectations. We also strive to search for better methods, materials and ways of offering the best possible education for your child. For more information, visit the following website: www.cde.ca.gov/re/cc

To determine if our students are meeting grade level competencies in the California State Standards, California utilizes a computer-based student testing system that ties to the standards for English language arts, mathematics, and science called the California Assessment of Student Performance and Progress (CAASPP). The new tests include the Smarter Balanced Assessment Consortium Assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-based Tests in Spanish (STS) for Reading/Language Arts. Parents can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615; ne]

Additional academic assistance, Title 1, is provided for reading and mathematics that meet eligibility criteria to participate in academic intervention from Title 1 staff. Students will be chosen to participate by staff, based on academic need and/or through the Student Success Team meeting process.

In addition, ELD instruction will provide English Learner students with a standards based curriculum that guarantees access to the core curriculum while simultaneously supporting students' language needs. Teachers across content areas provide academic vocabulary development and scaffold content instruction, using such strategies as visual aids, graphic organizers, structured student engagement, and word walls. English learner students in mainstream classes are assessed according to the English language development (ELD) standards across content areas, allowing them to access the content knowledge as they simultaneously develop their language skills.

■ District Courses

Annually the District prepares curriculum, course titles, aims, and descriptions in a prospectus. The prospectus is available at each school site and may be reproduced at cost. Parents/Guardians have the right to review all course material. [EC 49091.14, 51101; PPRA]

■ Homework

The staff of Sonora Elementary feels that homework is important. While teaching and learning is interdependent and is primarily carried on in the classroom, we feel that most students need to develop the responsibility for individual study habits. Homework provides the practice, review, make-up and enrichment to make school learning more effective. Students in grades 4-8 will receive

an assignment calendar to use to keep track of their homework assignments. The teachers will discuss their individual homework policies during Back-To-School Night. Kindergarten homework assignments should stimulate students to talk often with their parents/guardians. Parents/guardians should be encouraged to read to their children. Homework assignments in grades 1-3 should promote the development of skills and encourage family participation. Expect 10-30 minutes night and independent reading. At the intermediate level (4th-6th), students should be expected to spend an average of 40–60 minutes per night. In grades 4-6, homework should continue to reinforce skill development and encourage family participation. Assignments should help develop good personal study habits and may include occasional special projects. Teachers should instruct students on how to develop good study techniques and habits. Homework assignments should not require use of encyclopedias or other specialize materials unless sufficient time is allowed for students to get such materials from the library. Homework for Grades 7 and 8 should be expected to spend an average of 5 to 7 hours per week on homework. Teachers of academic subjects will provide regular homework activities that promote the development of skills and provide students with the opportunity to grow academically.

■ School Counselors

School counselors are trained educators possessing a valid teacher credential with a specialization in pupil personnel services. Counselors help students in grades 7-12 make decisions about their courses, extra-curricular activities, and preparation for college and/or careers. They guide students through all the steps including information about financial aid, academic requirements, and careers. Counseling related to academic and nonacademic courses, classes, electives, school-related activities, team sports, athletic competitions, and school facilities will be available to all students without regard to their gender or gender identity, the gender listed in their records, or any protected group as listed under “Complaints Regarding Discrimination, Harassment, Intimidation, Bullying, Exceptional Needs Students, Categorical Programs, Federally Funded Programs” on page 28. Most counselors are available by appointment and will meet with students and their families. The District Uniform Complaint Procedure may be used to file a complaint. [EC 221.5, 221.8, 48980, 49600, 48900, 51229; GC 11135; Title VI, Title IX; § 504; CIF 300D]

■ Parent-Teacher Conferences

Parents are encouraged to ask for a parent-teacher conference to discuss your child’s progress and to attend parent-teacher conferences scheduled by the school. Classroom concerns should be addressed with the teacher first. Taking part in these conferences is very important; parent attendance sends a strong message to children that

school is important and you care how your child does in school. To better help your child, you may want to follow several of the steps below:

Before the conference, write or call to make or confirm an appointment;

- Talk with your child about school (success, favorite subjects, problem areas, etc.);
- Review the work that your child brings home;
- Make a list of any questions or concerns about your child’s work or school program;
- Decide if your child would benefit from being included in the conference and discuss this with the teacher before the conference;
- Find someone to babysit your other children during the conference time;
- During the conference, ask questions if you do not understand what is being said;
- After the conference, share with your child what was discussed;
- Stay informed by asking your child about school and contacting the teacher when necessary.

■ Promotion/Graduation Standards

The Board of Trustees shall confer an 8th grade promotion diploma on students who meet all of the following requirements:

- (a) The student has earned a 2.0 cumulative grade point average for their seventh and eighth grade years. The cumulative GPA from 7th grade would hold a weight of 33% of the total and 8th grade GPA would be weighted at 67%. This means that the 8th grade cumulative GPA would hold double the weight as that of 7th grade, in calculating the cumulative, overall GPA.
- (b) The student cannot receive more than two “F” grades in the eighth grade year.
- (c) The student has successfully met the goals of his/her Individualized Educational Plan (IEP).

Report Cards/Progress Reports

Report cards will be issued at the end of each trimester. If a student is experiencing difficulties in academic subjects or citizenship, the following sequence of notices will be sent home: progress report and then a possible D/F notice. Progress Reports may also be issued to students who are improving or excelling in classes. In K-5, standards-based report cards are used each trimester. Letter grades are also given to students in grades 6 – 8. Always contact the teacher should you have a concern.

■ Books

Textbooks and library books must be kept clean and are

to be handled properly and covered. Students will pay for any damage to or loss of textbooks.

Students are encouraged to use our library as much as possible. The library is open during school hours. Ask the library clerk for help if you need it. Failure to return books will result in the loss of library privileges and school activities. The cost of replacement is charged for lost or damaged books. Student diplomas and report cards will be held until payment is received. Proper conduct and silence is required at all times.

■ LCFF and LCAP

The LCFF (Local Control Funding Formula) changed the way the State provides money to school districts. Under this system, school districts receive a uniform base grant for every student, adjusted by grade level. Plus they receive adjustments for the number of students living in poverty, English learners, and foster youth. Then there are further adjustments for concentration of these groups if they are above 55% of the district's enrollment. More information about the LCFF is available at www.cde.ca.gov/fq/aa/lc/.

The LCAP (Local Control Accountability Plan) is a critical part of the LCFF. Each school district is required to engage parents, students, educators, employees, and the community to establish their plan. The LCAP must focus on eight areas identified as State priorities:

1. Basic Services
2. Implementation of State Standards
3. Parental Involvement
4. Pupil Achievement
5. Pupil Engagement
6. School Climate
7. Course Access
8. Other Pupil Outcomes

The plan must describe the overall vision for students, annual goals including language acquisition, and specific action to achieve these goals. The plan will demonstrate how the district's budget will help achieve the goals, and annually assess how well the strategies improved outcomes. Anyone can comment about proposals or expenditures to the school board; at parent, student, community engagement meetings; at staff LCAP meetings; or to the district LCAP Advisory Committee. Complaints regarding LCAP may be filed anonymously or using the District Uniform Complaint Procedures. [EC 305, 47606.5, 47607.3, 52060-52076, 5 CCR 4600, 4622]

Homeless, Migratory, Foster, Military, and Juvenile Court Youth

Homeless, migratory, foster, military family, juvenile court youth, or youth participating in a newcomer program have special rights related to graduation and partial high school credits. They have the right to an adult to help make educational decisions. Foster and homeless youth also have special rights associated with college funding, and certain considerations in school discipline. The District Uniform Complaint Procedure may be used to file a complaint. [EC

48645.3, 48645.5, 51225.1-51225.3, 56055; 5 CCR 4622; WIC 361, 726]

■ Curriculum and Personal Beliefs

Whenever any part of the instruction in comprehensive sexual health, sexual abuse, or human trafficking prevention education conflicts with your religious training and beliefs or personal moral conviction, or those of your child, your child shall be excused from such instruction if you request an excuse in writing. No student shall be penalized, sanctioned, or disciplined for such an excuse, and shall have an alternative education activity available. [EC 51240, 51938, 51950]

Family Life, Human Development, and Sexual Health Education

Your child will be taking classes in compliance with the California Healthy Youth Act. These will include comprehensive sexual health education, HIV education, and research findings regarding pupil health behaviors and risks. Students in grades 7-12 will gain a deeper understanding of HIV transmission, prevention, and treatment. They will also be taught about the prevalence of human trafficking and the methods traffickers employ, including social media and mobile devices. You will be notified before such instruction. Any written and audio-visual educational materials planned for use are available for inspection prior to the start of classes. You may have copies of non-copyrighted material that will be presented by a consultant or guest speaker. You have a right to request, in writing, that your child not participate in any or all activities. You may withdraw this request at any time. School districts must ensure that all participating pupils receive sexual health instruction from personnel adequately trained in appropriate courses. In this District, staff teaches these classes. During this class, students in grades 7-12 may be asked to anonymously, voluntarily, and confidentially fill out evaluation and research tools such as surveys, tests, or questionnaires measuring student attitudes toward health, sex, and risk behaviors. Copies of Education Code Sections 51933, 51934, and 51938 can be requested from the District or can be obtained online at www.leginfo.legislature.ca.gov. [EC 51933-51939]

Tests/Surveys on Personal Beliefs

You and/or your child(ren) over 18 will be notified before administration of any confidential test, questionnaire, or survey containing questions about your child's, or your personal beliefs, political practices, mental health, anti-social, illegal, self-incriminating, demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors, income (unless to determine eligibility for receiving financial assistance), sex, family life, morality, or religion. You will be asked for written permission except for exempt surveys (in

grades 7-12) that are part of sexual health programs or State surveys. Parents may opt their child(ren) out of all surveys, without penalty, including those seeking information to be used in marketing. Parents have the right to review any survey or educational materials related to the survey on any of the above items. The District has developed policies relating to surveys and personal information. Notice will be sent to parents prior to such test or survey. If you believe your rights have been violated, you may file a complaint with the Family Policy Compliance Office at U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920. [EC 51513, 51938, 60614; 60615; PPRA; 34 CFR 98; ESEA]

Dissection of Animals

If your child chooses not to participate in the dissection of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with the student to develop and agree upon an alternative education project for the purpose of providing your child an alternate avenue for obtaining the information required by the class. The school will need a signed note from you indicating your child's objection. [EC 32255]

SCHOOL RECORDS AND STUDENT ACHIEVEMENT

■ Pupil Records

Parents, guardians, foster parents, certain caregivers, and students over 18 have the right to review, inspect, and get copies of school records within five business days of a written or oral request or before any meeting regarding an individualized education plan (IEP) or a hearing. Those records are confidential, and privacy will be maintained. Student records are provided to schools where student transfers or wants to enroll. In some instances, information about your child may be released to District staff, foster agencies, short-term residential treatment programs, after school programs, summer camps, lawyers, law enforcement, state researchers, and nonprofit researchers. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. The records include transcripts, discipline letters, commendations, attendance, and health information. The records are maintained at the District office by school office staff. There is someone to help interpret the material. When more than one child is named in the records, parents may only see material related to their child. If requested, the district will provide a list of types and locations where materials are held. There is a log of who has viewed the records that is kept at the same location as the records. District policy or administrative regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. Files may be reviewed to identify students

eligible for public school choice or supplemental educational services. You may have copies made for ten cents (10¢) per page. If you cannot afford the cost of copies, they will be provided free of charge. With the proper documentation, the records can be changed to reflect a legal change of name and/or gender of a student or a former student. You also have the right to file a written request with the superintendent challenging the records if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, a comment not based on personal observation with time and date noted, misleading information, or a violation of privacy rights. You can file a complaint about how your request was handled with the district or with United States Department of Education. You will get to meet with the superintendent or designee within 30 days. If your challenge is sustained, the changes will be made. If not, you can appeal to the school board, which has final authority. If you still have a different view, your view can be included in the student's record. [EC 8484.1, 49060, 49062.5, 49063, 49068, 49069.3, 49070-49079.7, 51101, 56043, 56504; CC 1798.24(t); FERPA; 20 USC 1232(g); 34 CFR Part 99]

Students of Military Families

For a smoother transition, the District has established guidelines for transferring credits and meeting graduation requirements of students from military families. Also, students can be registered in their district of choice, but must provide proof of residency within 10 days. [EC 51225.1, 51225.2]

Student Data from Social Media Websites

School Districts may now adopt a plan to gather student information from social media websites. The Governing Board has not adopted such a plan, but may consider it in the future. The information would pertain only to student or school safety, and must be destroyed within one year of the student leaving the District or turning 18. [EC 49073.6]

■ Regulations Regarding Pupil Achievement

The Board of Education believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. The progress report should reflect student progress in classwork and proficiency levels and indicate educational growth in relation to the student's ability, citizenship and effort. [EC 49067]

■ Teacher Qualifications

A provision of federal Title I requires all districts to notify parents of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals including state qualifications, licensing for the grade level or subject taught, any waivers for

qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides are in the classroom and what their qualifications are. [ESEA; 20 USC 6311; 34 CFR 200.61]

■ Privacy Policy

At the beginning of the school year, all parents have the option of signing a publication/video release form to have their child's image and, possibly, their name used in Sonora Elementary publications and/or various local media outlets to promote the school and its activities. We are aware of the importance of honoring your wishes in keeping your child's privacy while they attend school. Therefore, we ask that all parents refrain from taking photos of other children, without consent, at school events and, more importantly, posting the photos on social media websites.

■ Release of Directory Information

The law allows schools to release "directory information" to certain persons or organizations including military recruiters. Directory information includes student's name, address, telephone number, email address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous school attended. You may have the district withhold any of this information by submitting a request in writing. Written notification received after the date specified will be honored, but the student's information may have been released in the interim. In the case of students with exceptional needs or who are homeless, no material can be released without parent or guardian consent. [EC 49061(c), 49070, 49073(c), 56515; FERPA; ESEA]

■ School Safety Plan

Every year, each school shall review and update its plan by March 1. Each school shall make its plan public and shall share the plan with numerous community leaders, school site personnel, and parent groups. Plans should, among other things, provide guidance for the response to and/or the prevention of bullying, child abuse, disasters, and criminal activity. Key elements are to be described in the School Accountability Report Card. Planned responses to criminal incidents need not be disclosed. The Uniform Complaint Procedure can be used regarding School Safety Plan compliance. [EC 32281, 32282.1, 32286, 32288, 32289, 51101]

STUDENT SERVICES

■ Student Meal Program

The District's Food Service Department serves breakfast and lunch daily, and seeks to ensure no child is denied meals. The meal program is self-sufficient so that other

student services are not impacted when meals are not paid for. Students may pay for meals on a per-meal basis or parents/guardians may pay for meals in advance online at ezschoolpay.com or by contacting Shanana Gonzales in the school cafeteria. The District will contact you if your account has a zero balance. The District may be able to create a repayment plan or to explain the Free and Reduced meal plan; participation in the plan is confidential. [EC 49510-49520, 49558; 42 USC 1761(a)]

School Breakfast Program

Breakfast is served from 7:30 – 8:20 a.m., Monday thru Friday. Breakfast prices are: \$1.50 regular, \$0.30 for reduced and \$2.50 for adults. Milk is available for \$0.40; we also have a-la-carte items that sell for \$0.25 – \$1.00. We offer cold cereal three times each week and a hot meal the other two days.

School Lunch Program

Daily lunch prices are: \$3.00 regular, \$0.40 for reduced and \$3.75 for adults. Milk is available for \$0.40.

Meal Policy Goals

- To treat all students with dignity in the serving line regarding meal accounts;
- To support positive situations with district staff, district business policies, students and parents to the maximum extent possible;
- To establish policies that are age appropriate;
- To encourage parents to assume the responsibility of meal payments and to promote self-responsibility of the student;
- To establish a consistent district policy regarding charges and collection of charges.

Meal Payments

You may add money to your child's meal and snack account by way of cash or check at your school kitchen.

Account Communication

Parents shall be notified in writing within 10 days after the student has a zero balance. Whenever a student's account has an unpaid balance of the value of twenty meals (i.e., lunch and breakfast combined) or more, parents/guardians shall be notified in writing that full payment is due within seven school days from the date of the notice.

In cases of repeated nonpayment by a student, the Superintendent or designee may contact parents/guardians to discuss the reasons for the nonpayment. The Superintendent or designee may evaluate individual circumstances to determine if the student's parents/guardians need assistance completing an application for free or reduced-price meals or need referral to social services.

Account Limits and Settings

A la carte breakfast items are available for students to purchase. If you wish to prohibit or limit the purchase of these items, please contact Shanán Gonzales, Food Services Manager at (209) 532-3159 ext. 1810 to have a notice placed on your student(s) account.

Cafeteria

Our food services program mirrors healthy choices by adhering to rigorous state and district nutrition guidelines, ensuring that students have access to healthy food choices on campus.

Cafeteria Procedures

Lunches may be purchased daily. However, we strongly recommend depositing an amount into your child's account for an extended period of time to avoid the need to pay daily. Please send money, preferably a check, in a sealed envelope with your child's name and teacher's name on the outside. Many children lose their lunch money on the way to school. This labeling method saves a lot of grief. You now have the ability to pay for school breakfast and lunch online! Monitor your child's meal account balance and receive low-balance email alerts through EZSchool-Pay.com. The online payment option is a quick & secure way to deposit money to your child's meal account by using a debit or credit card. Visit <http://ezschoolpay.com>

Once a student's lunch account becomes a negative balance, we allow children to continue to charge. However, when the balance owed exceeds \$15, the child will be given an alternative lunch until the balance is cleared.

Unpaid fees will result in the holding of your student's report card (or diploma for 8th grade) at the end of the school year until fees are paid.

Technology

Sonora School District is proud of the level of technology implemented and utilized in each classroom on a daily basis to enhance instruction. Currently, in grades 2-8, each student has a device (iPad, Chromebook, or MacBook) to use in the classroom. In grades K-1, there are multiple iPads for student use. Each student accessing computers and/or iPads at school shall sign an AUP. Appropriate use of technology is an expectation. Violation of the AUP shall result in disciplinary action.

Student Use of Technology

The Governing Board intends that technological resources provided by the district be used in a safe and responsible manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists

are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district technology, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with this Board policy and the district's Acceptable Use Agreement.

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

Before a student is authorized to use district technology, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

The district reserves the right to monitor student use of technology within the jurisdiction of the district without advance notice or consent. Students shall be informed that their use of district technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the district technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and BP/AR 5125 – Student Records.

Whenever a student is found to have violated Board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in

disciplinary action and/or legal action in accordance with law and Board policy.

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update procedures to enhance the safety and security of students using district technology and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced.

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors.

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs
2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal

identification information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying. ■ Google Apps for Education

The Sonora School District utilizes Google Apps for Education for students, teachers, and staff. This permission form describes the tools and student responsibilities for using these services. As with any educational endeavor, a strong partnership with families is essential to a successful experience.

The following services are available to each student and hosted by Google as part of Sonora School District's online presence in Google Apps for Education:

<u>Mail</u>	an individual email account for school use managed by the Sonora School District
<u>Calendar</u>	an individual calendar providing the ability to organize schedules, daily activities, and assignments
<u>Docs</u>	a word processing, spreadsheet, drawing, and presentation toolset that is very similar to Microsoft Office
<u>Sites</u>	an individual and collaborative website creation tool

Using these tools, students collaboratively create, edit and share files and websites for school related projects and communicate via email with other students and teachers. These services are entirely online and available 24/7 from any Internet-connected computer. Examples of student use include showcasing class projects, building an electronic portfolio of school learning experiences, and working in small groups on presentations to share with others.

Technology use in the Sonora School District is governed by federal laws including:

Children's Online Privacy Protection Act (COPPA)

COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. By default, advertising is turned off for Sonora School Districts presence in Google Apps for Education. No personal student information is collected for commercial purposes. This permission form allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for education purposes. — COPPA – www.ftc.gov/privacy/coppafaqs.shtml

Family Educational Rights and Privacy Act (FERPA)

FERPA protects the privacy of student education records and gives parents the rights to review student records.

Under FERPA, schools may disclose directory information (See Board Policy 5125) but parents may request the school not disclose this information. Parents are provided the opportunity annually to opt out of disclosing their student's directory information on the District's Enrollment Form. — FERPA – www.ed.gov/policy/gen/guid/fpco/ferpa

Guidelines for the responsible use of Google Apps for Education by students:

1. Official Email Address: All students will be assigned a username@sesk12.org email account. This account will be considered the student's official Sonora School District email address until such time as the student is no longer enrolled with the Sonora School District.
2. Prohibited Conduct: Please refer to the Board Policy 6163, Administrative Regulation 6163, Exhibit 6163 and the Student Handbook.
3. Access Restriction: Access to and use of student email is considered a privilege accorded at the discretion of the Sonora School District. The District maintains the right to immediately withdraw the access and use of these services including email when there is reason to believe that violations of law or District policies have occurred. In such cases, the alleged violation will be referred to a building Administrator for further investigation and adjudication.
4. Security: Sonora School District cannot and does not guarantee the security of electronic files located on Google systems. Although Google does have a powerful content filter in place for email, the District cannot assure that users will not be exposed to unsolicited information.
5. Privacy: The general right of privacy will be extended to the extent possible in the electronic environment. Sonora School District and all electronic users should treat electronically stored information in individuals' files as confidential and private. However, users of student email are strictly prohibited from accessing files and information other than their own. The District reserves the right to access the username@sesk12.org Google systems, including current and archival files of user accounts when there is reasonable suspicion that unacceptable use has occurred.

■ School Counselor

Sonora School employs a certificated counselor to help children deal with personal and academic issues. If your son or daughter is having difficulties that are affecting his or her schoolwork, please contact the school counselor directly or our school office and we can connect you to counseling service.

■ School Accountability Report Card

The School Accountability Report Card is available on

request, and is available annually by February 1st on the Internet at www.ses.k12.ca.us/domain/105. It contains information about the district and school regarding the quality of programs and its progress toward achieving stated goals. A copy will be provided upon request. [EC 33126, 32286, 35256, 35258, 51101]

■ Services to Students with Disabilities

If you have reason to believe your child (ages 0 through 21 years) has a disability requiring special services or accommodations, contact the school. Your child will be evaluated to determine whether he/she is eligible for free special or modified instruction or services.

The District wants to locate, identify and assess all children with disabilities whether homeless, wards of the state, enrolled in public or private schools. The District has policies guiding procedures for identification and referral. Students identified with special needs will receive a Free Appropriate Public Education in the least restrictive environment. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121]

Student Success Team

The Student Success Team (SST) consists of classroom teachers, reading specialist, the school counselor, the resource teacher, an administrator and the child's parent(s). When a teacher or parent has referred a child, the team convenes to discuss how the school can better meet the needs of that child. As a team, a plan of action is developed involving additional support and intervention in the classroom and, possibly, in our Title 1 program and Learning Center. If necessary, identifying, supporting and assessing students with disabilities is central to our mission to ensure all students access to the curriculum. Any teacher, counselor or administrator can refer a student to the SST for evaluation and assessment. If a student qualifies for Special Education services, an IEP or 504 plan is created with input from classroom teachers, parents, case managers and the student involved.

Classroom teachers receive a copy of each of their students' IEPs or 504 plans; case managers then check each of their students' progress on a quarterly basis, matching student performance against standards-based goals. Case managers also keep in regular contact with classroom teachers to ensure that students receive required accommodations (notes, extended time, large-print text, audio books, transcribed notes, Braille texts, wheelchair access) and to monitor (and communicate to parents) their social and emotional well-being.

Special Education

This program is designed to help students who have a particular learning problem or disability. An administrator, classroom teacher, or parent can make a

referral. Qualification for this program is made through the recommendation of the Student Success Team. Students must meet standard eligibility criteria to be enrolled in the Learning Center Program.

Speech Therapist

The Speech Therapist at Sonora School helps students with articulation or expressive language difficulties either individually or in small groups. Qualification for this program is made through the recommendation of the Student Success Team.

■ Lost and Found

Students must assume sole responsibility for loss of or damage to personal property. The school will try to protect all property, but it is not responsible for its security. Students should write their names or put identifying marks on their personal belongings, including sweatshirts, jackets and/or hats. Articles that are stored in the lost and found bucket in the cafeteria are stored for two weeks.

■ Pupil Fees

While there are limited exceptions, families and students should not have to pay fees for most items related to public education. There are four types of fees identified in Education Code:

Pupil Fees: No fees or deposits can be required or collected for items including, but not limited to, materials, supplies, equipment, uniforms (i.e. band, cheerleading, basketball), lockers, locks, books, class apparatus, musical instruments.

Educational Activity Fees: No fees can be required or collected for student participation in an event or activity, either curricular or extracurricular, that is an essential part of a student's education or for transportation to those events. There can be no fees required for registering or participating in regular or extra classes.

Voluntary Donations: While voluntary donations may be suggested for activities, no student may be denied participation based on the family's ability to make a donation.

Exceptions – When fees may be required: By law, there are exceptions to the prohibition against charging fees or deposits. Exceptions include, but are not limited to, transportation to non-essential activities, non-essential events where attendance is optional (such as a school dance), food served to students, damage to district provided materials such as textbooks, cost of community service classes, and fingerprinting. Money may also be collected for material used for projects that a student will be taking home, such as, material used in a career class like woodshop or sewing. The Uniform Complaint Procedure can be used regarding pupil fee compliance. A complaint may be filed with the school principal and may be filed anonymously. [EC 17551, 17552, 19911, 32030-32033, 32220-32224, 32390, 35330, 35331, 35335, 38084, 38118, 38120, 39807.5, 48052, 48053, 48904, 49010-49013, 49063, 49065, 49066, 51815,

HEALTH SERVICES

■ Emergency Cards

Emergency cards should be kept up to date at all times. On these cards we have the address and phone number of home and other contact people, information on any restrictions you have made us aware of, and also important health information. For this reason, it is very important that you keep the office informed of any changes that occur. Your child will only be released to an adult listed on the emergency card unless a written note (which will be verified) proceeds the pick-up time.

■ Health Office

Students who become ill at school will be asked to go to the school office where the secretary will contact the parents from numbers listed on the emergency card. Emergency cards must be kept up to date. The following are guidelines in assisting you with the decision whether or not to send your child to school:

A child should NOT attend school if he/she has the following symptoms:

1. Fever above 100.6 rectally or 100 orally
2. Be fever free for 24 hours without use of Tylenol or Ibuprofen.
3. Severe sore throat
4. Copious nasal discharge; yellow or green in color
5. Frequent loose or liquid stools
6. Any body rash that is not firmly related to contact with an irritant, i.e., poison oak
7. Itching, watery or red eyes, with crusting. (Not contributed to any known allergy)
8. Nausea and/or vomiting
9. Ear drainage or ear pain (see your physician)
10. Persistent and/or productive cough

If any of the above conditions exist, it is best to have the child stay home so they can rest and be observed for any other factors that might affect their overall well-being. Please note, in certain instances you may be asked to consult a physician and provide a written note from the doctor indicating your child may return to school.

First Aid

Our school office employs a full time health aide to provide care. In addition, our school office personnel are trained to provide basic first aid to students. Any head injury or significant injury at school, the primary parent/guardian will be notified. Parent notification depends on the severity of the injury.

■ Immunizations

Documented proof that immunizations are up-to-date is required before attending school; districts may not allow “conditional” admittance into schools. Students may not participate in a classroom setting unless they have been fully immunized against diphtheria, hepatitis b, haemophilus influenza type b, measles, mumps, pertussis (whooping cough), poliomyelitis, rubella, and tetanus. Students must be immunized for varicella (chickenpox) or provide proof from a doctor stating they have had the disease.

All new students, advancing students, or students transferring into grades 7-12 must be fully immunized, and will not be admitted without the required booster against pertussis (Tdap). The required immunizations are available through a usual source of medical care, County Health Department, a school nurse, or may be administered by a health care practitioner acting under the direction of a physician. Immunizations may be given at school. There may be funds for those who cannot access services. Homeless, foster, migratory, and military youth can be enrolled without proof of immunization. [HSC 120325, 120335, 120338, 120375, 120400, 120405, 120410, 120415, 120480; EC 48216, 48852.7, 48853.5, 49403; 17 CCR 6000-6075; 42 USC 11432(C)(i)]

Exemptions

These requirements do not apply if a form from licensed physician cites why they should not. Before January 1, 2021 a parent/guardian can submit this form; after January 1, 2021 the physician submits the standardized electronic form directly to the California Immunization Registry (CAIR) and to the school for exemption; this is the only form the school will accept. The form will include physician information, the child’s name and their school, the parent’s/guardian’s name, and the specific basis for and duration of the exemption.

If an outbreak of a communicable disease occurs, a non-immunized student will be excluded from school for their own safety until such a time as directed by health officials or district administration.

Forms submitted prior to January 1, 2020 and exemptions based on beliefs opposed to immunization submitted prior to January 1, 2016 are valid until the pupil enrolls in the next grade span (through preschool, grades K-6, grades 7-12). Parents or guardians may refuse to allow the sharing of personal information related to their child’s immunization records by notifying the County Health Department listed in this section. [HSC 120325, 120335, 120338, 120370, 120372, 120372.05; EC 48216]

■ Physical Examinations

For each child enrolling in the District for the first time in kindergarten or first grade, the parent or guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18

months. If your child does not receive this exam, you must file a waiver with the school district stating the reasons you are unable to obtain such services. You may have your child immunized at the same time that the physical examination is conducted. [EC 49450; HSC 124085, 124100, 124105]

These services may be available to you at no cost through the Child Health and Disability Prevention Program (CHDP). For information, you may contact:

Tuolumne County Health Department
20111 Cedar Road North
Sonora, CA 95370
(209) 533-7414

If you want your child to be exempt from physical examinations at school, file a written statement annually with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist. [EC 49451; PPRA]

Kindergarten/First Grade Oral Health Assessment

Many things impact a child’s school progress and success, including health. Children must be healthy to learn, and children with cavities are not healthy. Baby teeth are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school.

Parents or guardians must have their child’s oral health assessed and have proof of the assessment by May 31 of the student’s first school year (kindergarten or first grade). Assessments within the 12 months before the child enters school also meet this requirement. The assessment must be done by a licensed dentist or licensed or registered dental health professional. [EC 49452.8]

Vision, Hearing, and Scoliosis Screening

An authorized person will check your child’s vision upon enrollment and in grades 2, 5, and 8 unless the student entered the District in grade 4 or 7. Hearing tests will be conducted when your child is enrolled or first enters a District school. Females in grade 7 and males in grade 8 may be screened for scoliosis (curvature of the spine). These tests may be administered unless you annually give the school a certificate from a physician or optometrist verifying prior testing, or submit a letter denying consent. [EC 44878, 49451, 49452, 49452.5, 49455]

■ Medication

Children may take medication, which is prescribed by a

physician, received in its original container, and can get help from school personnel during the school day if:

1. The district designee has received a written statement from the physician detailing the medication name, method, amount, and time schedules by which the medication is to be taken; and
2. Parent, guardian, or caregiver annually submits a written statement asking the school district to assist their child in taking the medication or allow the student to self-administer certain medications. This includes allowing a school staff member to volunteer to identify the need for and administer glucagon or epinephrine to a student. The letter gives permission to a district representative to communicate with the health care provider, pharmacist and acknowledge understanding of how the medication will be administered. Each school determines if it will have staff trained in the use and storage of auto-injectable epinephrine. The District will have a supply of auto-injectable epinephrine at each school site. [EC 49414, 49414.3, 49414.5, 49423, 49480]

Children may carry and self-administer a blood glucose level test, diabetes care, inhaled asthma medication, and auto-injectable epinephrine if the rules above are met and if a physician confirms in writing that the student is able to self-administer. [EC 49414, 49414.5, 49423, 49423.1, 49480]

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the district designee of the medication being taken, the current dosage, and the name of the supervising physician. [EC 49480]

■ Sun Protection

Students when outdoors can wear sun protective clothing, including, but not limited to hats. Students may also apply sunscreen during the day without a doctor's note or prescription. [EC 35183.5, 35291]

■ Medical and Hospital Insurance for Students

The district DOES NOT provide insurance on individual students. However, you may purchase accident insurance through the district for medical and hospital services covering your child. The insurance provides coverage for your child while on school grounds or in school buildings during the time your child is required to be there because of attendance during a regular school day of the district; or while being transported by the district to and from school or other place of instruction; or while at any other place as an incident to school-sponsored activities. The school district assumes no liability for accidents to pupils at school. [EC 32221.5, 49472]

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health

benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Covered California (800) 300-1506 or online at www.coveredca.com. [EC 49471]

Enrollment in a Health Care Plan

All children enrolling in kindergarten, first grade, or transferring into the district and their families must be enrolled in a health care plan. There are several options for getting a health plan; through an insurance agent, or low cost provider such as Medi-Cal and Covered California. [EC 49452.9; PPACA]

School-Sponsored Athletics

If a student participates in school-sponsored athletics other than physical education or athletic event during the school day, parents/guardians and the student athlete are required to annually; (1) complete a concussion awareness form, (2) complete a sudden cardiac arrest awareness form, and (3) sign a document acknowledging receipt of an Opioid Factsheet received either in print or electronic format. [EC 33479, 49475, 49476]

■ Access to Mental Health Services

School-based mental health services help address barriers to learning and provide appropriate student and family support in a safe and supportive environment. Reaching out for mental health services is simple; contact Emily Vieira, your school counselor at (209) 532-3159 or evieira@sesk12.org, nurse, health aide, principal, or the district office. In the community a good place to start may be to dial 211 for referrals in your area or call Tuolumne Co. Behavioral Health Services at (209) 533-6245. If you are in crisis contact this number or dial 911 immediately. [EC 49428]

Suicide Prevention

Suicide is a leading cause of death among youth, and school personnel is often in a position to recognize warning signs. The District makes an effort to reduce suicidal behavior and its impact and has developed strategies to intervene. These may include staff development, student instruction in coping skills, informing parents/guardians, methods for promoting a positive school climate, crisis intervention, and counseling (including for bereavement). Information about district programs and services and links to community and statewide resources are available on the District's website at www.ses.k12.ca.us. [EC 215, 234.5, 234.6, 49060-49079, 49602, 49604; GC 810-996.6; PC 11164-11174.3; WIC 5698, 5850-5883; BP 5141.52 January 2019]

■ Schools Free of Tobacco, Alcohol, and Drugs

The Board has adopted Tobacco-Free, Drug-Free, and Alcohol-Free campus policies to promote student health and well-being. The District strives for a school environment free of these substances and has prevention and intervention programs. There may be programs through the District or in the community to support students' cessation from use of tobacco, alcohol, or drugs. For more information please contact the school/district nurse or a school administrator. [EC 51202-51203, 51260-51269; HSC 104420, 11999-11999.3; PC 13864]

■ Meningitis

Meningococcal disease or Meningitis can be a life threatening infection that can be treated, but cannot always be cured. Routine vaccinations are recommended for 11-12 years olds, students entering high school and students living in college dorms. For more information please visit the California Department of Public Health website or go to www.cdph.ca.gov/HealthInfo/discond/Pages/MeningococcalDisease.aspx. [HSC 120395-120399]

■ Fluoride Treatments

Children are eligible for fluoride treatments through a program organized by the county health officer. Parents will get a record that the treatment was applied. The county health officer will determine how to pay for the program. Parents or a student 18 years old or more have the right to refuse this program using the form provided by the school district. This program is not meant to replace regular professional dental care. [HSC 104855]

■ Confidential Medical Services

School authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. [EC 46010.1]

STUDENT BEHAVIOR AND SAFETY

The Sonora School staff believes that each student has the right to an education in an atmosphere conducive to learning, with mutual respect for each other and free from the threat of physical or verbal abuse. Therefore, we expect all students to be safe, responsible, and respectful. Maintaining a safe school environment requires that all students use good judgment and display appropriate behavior. All students are expected to follow the rules for each classroom as described by the teacher. Children learn better in a classroom where rules of order are understood and supported by parents, staff and student. All students have the right to learn and teachers will not tolerate interference that disrupts their classrooms. It is important for students to know and understand that every adult that

works at Sonora School has authority to monitor student behavior.

■ School Rules

You have a right to review school and district rules regarding student discipline. If you wish to do so, please contact the school office. [EC 35291, 48980, 51101]

■ Student Code of Conduct

The Code of Conduct is to provide a mutual understanding about conduct expectations while on school property, at school sponsored events, and when interacting with District employees and/or students. In order to create an optimal environment for student learning, Sonora School requests all members of the community adhere to these guidelines.

- Value and advocate for your school and its reputation; be mindful of the hurt and damage social media may cause to faculty members and other parents
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in speech and behavior
- Follow the correct procedures to resolve a conflict or make a complaint:
 1. Speak to the appropriate school person involved first and try to resolve the concern with mutual respect and clear communication.
 2. If, for some reason this is not possible, then contact or make an appointment with an administrator, or other designated leadership personnel.
 3. The administrator (or designee) should attempt to mediate and find a resolution in the presence of both parties.
 4. If, having followed steps 1-3 with no satisfaction, you may complete the school's Complaint Procedure form found in the district office.

Behavior that will not be tolerated:

- Disruptive behavior which interferes or threatens to interfere with any of the school's normal operation or activities anywhere on the school premises

Inappropriate use of Social Network Site

Social media websites are being used increasingly to fuel campaigns and complaints against schools, school staff, and in some cases other parents/students. Use of social media websites in this way is unacceptable and not in the best interests of students or the whole school community. In the event that any of our students or school community members is found to be posting libelous or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. The school will also expect that those comments/postings be removed immediately. In serious cases, the school will also consider its legal options to deal with any such misuse of social networking and other sites.

■ Safe Place to Learn

It is State and District policy to improve student safety, connections between students and supportive adults, and connections between schools and communities. These policies prohibit discrimination, harassment, intimidation, and bullying at all school sites or at any school sponsored activity. School site staff trained in anti-bias shall be made known to students. When safe to do so, District employees must intervene immediately when they see discrimination, harassment, intimidation or bullying. Certificated staff in grades 7-12 get information about helping LGBTQ students. Information about district programs and services and links to community and statewide resources related to: suicide prevention; sex discrimination including Title IX information; hate violence; sexual harassment including the District's Policy (also included in this booklet); harassment, intimidation, and bullying; and cyber-bullying including social-media bullying are available on the District's website at www.ses.k12.ca.us and online at www.cde.ca.gov, www.cde.ca.gov/ls/ss/se/bullyfaq.asp, www.cde.ca.gov/ls/ss/se/bullyres.asp, www.cde.ca.gov/ls/ss/vp/ssresources.asp, www.californiahealthykids.org.

The District Uniform Complaint Procedure may be used to file a complaint. Contact the District Complaint Officer(s) listed on page 28 for assistance. ■ Digital Communication Devices

Districts may regulate the possession or use of any cellphone, smartphone, pager or electronic signaling device while pupils are on campus, while attending school-sponsored activities, or while under the supervision and

control of school district employees. Students cannot be stopped from using such a device when: there is an emergency; there is a perceived threat of danger; when a teacher or administrator has said it is acceptable; or if it is part of an individualized education program (IEP). Possession or use is allowed if essential to student's health as determined by a licensed physician or surgeon. [EC 48901.5, 48901.7]

■ Dress Code Policy

Dress code rules and regulations are established to maintain an atmosphere conducive to learning. Students have the responsibility to dress in a manner that is appropriate for their safety and not disruptive to the educational process. Here are our dress code rules:

1. Apparel that advertises, makes reference to, or illustrates alcohol, tobacco, drugs, hatred, or violence towards others or animals, sexual activity, or obscene language shall not be allowed.
2. Clothing must cover undergarments. No pajamas, wearing blankets or sleepwear of any kind are allowed.
3. Open-toed shoes, slippers, clogs, sandals or flip-flops are not appropriate for school. If a child wears these shoes to school, they will not be allowed to play on the play structures that have bark or wood chips on the ground. In addition, the students are not allowed to run in these shoes.
4. Hats must be worn with the bill forward and are not to be worn inside buildings. When indoors, sweatshirt hoods need to be down and not worn on the head of the student.

It is the responsibility of the administration to determine the appropriateness of a student's apparel. Students deemed to be in violation of the dress code will be sent to the office. An attempt will be made to contact the home for a change of garments. If the parents cannot be reached, the student may be asked to reverse the garments or select a shirt to wear from those kept on hand in the office. In cases of questionable dress and/or grooming not covered by the guidelines, the site administrator will determine the appropriateness and make the final decision.

■ Athletic/Sports Team Eligibility Grades 6-8

Students must maintain a minimum grade point average

of 2.00 (grades 6-8) with no "F" grades, and be in school at least 50% of the school day on the day of the extra/co-curricular activity to be eligible to participate in school sponsored athletic team practice or game. Academic eligibility is determined by trimester grades and progress reports. Random grade checks may be conducted. The Athletic Director reviews grades and provides eligibility lists to staff, students and coaches.

■ Discipline Offenses & Consequences

The failure of the student to obey school rules, to not act or behave with responsibility, respect or safety in mind, will result in an intervention with a staff member on campus. This intervention could be counseling, warning or a behavioral citation. For our 4th - 8th Grade students, after every third citation, the student will be referred to the next stage.

- Stage 1 Recess/Lunch Detention – Teacher Notification to Parent
- Stage 2 After School Detention – Administration Notification to Parent
- Stage 3 Time-Out/Focus Room Placement – Administration Notification to Parent
- Stage 4 In-School Suspension – Administration Notification to Parent
- Stage 5 Home Suspension – Administration Notification to Parent

■ Bus Rules and Regulations

Sonora Elementary School District provides bus transportation to and from school. Students who stay after school for extracurricular activities must be picked up by their parent/guardian. Bus routes and times are available in the school office and on the school’s website. The bus driver annually reviews bus safety with their student riders, including red light crossing, bus danger zones, and walking to and from bus stops.

Authority of the Bus Driver

Pupils transported in a school bus shall be under the authority of, and responsible directly to the driver of the bus. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation in accordance with regulation of the governing board of the school district.

Any serious offense may result in the student being removed from the bus. Parents and students are advised that the district operates surveillance cameras in all buses to promote safe ridership.

Bus Behavior Expectations for student riders

Enter and leave the bus in an orderly manner.
Stay seated at all times unless otherwise directed.

- Do not disturb another passenger or their belongings.
- Keep hands, arms, possessions, etc., inside the bus and out of the aisle.
- Do not throw anything inside the bus or out of the bus.
- Do not eat, drink or chew gum on the bus.

Large bulky items, glass containers, balloons, animals, etc., will not be transported.

All rules apply while on the bus or waiting at the bus stop.

No electronic devices allowed to be used on the bus.

Consequences for inappropriate bus behavior

Please note: It is the discretion of the administration to determine appropriate consequence, based on the severity of the incident.

When you need to make a temporary change in your child’s bus stop

1. A written request is required when a student needs to ride a different bus or get off at a different stop. If an emergency change needs to be made, you may fax a note to (209) 532-7244. Please call (209) 532-3159 x 1000 to ensure it has been received.
2. A bus note must include the following information:
 - a. Your student’s first and last name.
 - b. The bus stop at which your student will be getting off or the first and last name of the student with whom they will be going home.
 - c. Your phone number or a name and phone number of someone on your child’s emergency card who knows where your child will be going.
 - d. Your signature.

Permanent Notes

If your child needs to ride a different stop on a regular basis during the year, you may write a permanent bus note. This note must include the day(s) of the week your child will

be riding, as well as the information that is required on the regular note.

How to Use 3-Point Retractable Seat Belt

Sit in the bus seat and pull the latch portion of the outboard side over your shoulder and across your body and latch it to the short inboard latch. For your safety the retractable seat belt has an emergency locking device built into the belt for your protection, which allows you to move freely unless the bus stops suddenly or is involved in an accident. Pull in a slow and smooth fashion as not to engage the automatic emergency locking mechanism. Your student is protected by the Federal Motor Vehicle Safety Standards (FMVSS) #209 & # 302 approved safety harness.

Restrooms

- Restrooms are to be used for the purpose intended.
- Students are not to loiter in the restrooms.
- Food must not be taken into the restrooms.
- Students must have a pass from a teacher in order to use the restroom during class time.

Safety

Maintaining a safe and healthy campus is a priority at Sonora Elementary School. Our school staff is trained to respond to emergencies and have plans to address multiple scenarios. Each month we conduct fire drill/evacuation drills and have lock-down drills multiple times a year. Our safety plans are reviewed frequently and are posted in all classrooms and offices. Furthermore, in cooperation with the Sonora Police Department, our staff has been trained on how to identify and protect our students from possible intruders. Duty aides have two-way radios for instant communication to the office throughout the day.

Please follow all traffic laws and drive slowly in our parking lot. During pick-up and drop-off times, never leave your car unattended in the loading and unloading zones.

On campus supervision begins at 7:30 am, so please do not drop your student off before this time. Only students involved in supervised school activities may remain on campus after school is dismissed. If students want to attend a sporting event as a spectator, they must either go home and return at the scheduled game time or get permission from a teacher to work in their room until the game begins.

Video Surveillance System

The District has installed a video surveillance system for the campus, which will help the district achieve its goal for campus security. Cameras have been placed in areas throughout the campus especially where the public enters the campus. Cameras are not placed in areas where students, staff, or community members have a reasonable expectation of privacy and sounds are not recorded. The camera system will be monitored by district

administration throughout the day and recordings may be used in disciplinary proceedings, and that matters captured by the camera may be referred to local law enforcement, as appropriate. All images are accessed, retained, and disclosed in accordance with law, Board policy and administrative regulation.

Pets

Pets are only allowed at school when teachers request them for a unit of study and must have the teacher's permission. All pets approved by a teacher must be caged.

DISCIPLINE

Parent Responsibility

Parents or guardians are liable for all the damages caused by the willful misconduct of their minor children that result in death or injury to other students, school personnel, or damage to school property. Parents are also liable for any school property loaned to the student and willfully not returned. Parents' or guardians' liability may be as much as \$20,300 in damages and another maximum of \$11,200 as adjusted annually by the California Department of Education for payment of a reward, if any. The school district may withhold the grades, diplomas, or transcripts of the student responsible until such damages are paid or the property returned or until completion of a voluntary work program in lieu of payment of money. If your child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities, or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, you may be required to attend a portion of a school day in your child's classroom. Civil penalties may also be enforced with fines up to \$25,000. [EC 48900.1, 48904, 51101; CC 1714.1; GC 53069.5]

Vandalism

Graffiti and scratching glass or other material on someone else's property is now considered vandalism and those convicted face fines, imprisonment and the requirement to clean up the damage or perform community service. Parents/Guardians may be liable to pay fines as high as \$10,000 and be required to participate in the clean up. [PC 594]

Drugs, Alcohol, and Tobacco

Possession or use of illicit drugs (including cannabis), alcohol, or any tobacco product on District premises or at any District activity is strictly prohibited.

A student in possession or under the influence of marijuana (cannabis), concentrated cannabis, or any synthetic cannabinoid is subject to suspension or expulsion. A student under 18 also faces up to forty (40) hours of community service, ten (10) hours of drug education, and sixty (60) hours of counseling; a student 18 or older can be

■ Board Policy regarding referral for expulsion

The Board believes that students who commit the offenses listed below should be referred to the Governing Board for a disciplinary hearing even if the Administration’s recommendation will NOT be to expel the student. The Board refers to such a policy as a “zero tolerance procedural policy.”

The Board believes that a zero tolerance procedural policy communicates to all Sonora Elementary School District students that if they are accused of committing one of the offenses listed below, even if that is the first offense for that student, the Board shall conduct a hearing for the purposes of determining (1) whether the student committed the offense for which he or she is accused and (2) if the student committed one or more of the offenses listed below, what the appropriate level of discipline should be which will encourage the student to change or alter his or her conduct.

At such hearings, if the Administration does not recommend or the Board does not conclude that the student should be expelled because other means of correction are feasible, the Administration may still recommend or the Board may still impose discipline for such students in accordance with Education Code section 48900.6. Such discipline may include, but not be limited to, an additional period of suspension, loss of athletic privileges, loss of bus privileges, loss of the right to participate in extracurricular or co-curricular activities,

community service, counseling, or peer/youth assistance programs.

Therefore, the Governing Board directs that the Administration shall refer, except for cases which fall under Education Code section 48900, subdivision (a)(1), in which case the Administration has discretion whether to refer to the Board, a Sonora Elementary School District student who is accused of committing any of the following offenses at school, on the way home from school, on the way to school, or at a school-related activity or event to it for an expulsion hearing:

1. Caused, attempted to cause, or threatened to cause physical injury to another person (The Administration has discretion whether to refer these cases to the Board for an expulsion hearing). [EC 48900(a)(1)]
2. Willfully used force or violence upon the person of another, except in self-defense [48900(a)(2)].
3. Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object, unless, in the case of possession of any object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or the designee of the principal [48900, subsection (b)].
4. Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind [48900(c)].
5. Unlawfully offered, arranged, or negotiated to sell any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and either sold, delivered, or otherwise furnished to any person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant [48900(d)].
6. Robbery or extortion [48900(e)].
7. Committed or attempted to commit a sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code [48900(n)].
8. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261, directed specifically toward a pupil or school personnel [48900(r)].
9. Sexual Harassment [48900.2].
10. Hate Violence [48900.3].
11. Harassment, Threats, or Intimidation [48900.4].
12. Terroristic Threats against School Officials, School Property, or Both [48900.7].
13. Any other offense which is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.

■ **Nondiscrimination / Harassment**

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory

harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including

discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual

harassment even where the alleged victim of the harassment has not complained

4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall have his/her employment terminated in accordance with law and the applicable collective bargaining agreement.

District's Uniform Complaint Process

You may contact your school's office or the District office to obtain a free copy of the district's complaint procedures. The complaint procedure can be used for a variety of issues not mentioned above including but not limited to employee issues and policies and procedures of the district. Confidentiality and privacy shall be respected in all complaint investigations. Complaints alleging discrimination may be filed by a person on their own behalf or on behalf of another person or group of people within six months of the occurrence or when facts became known. Complaints regarding a special needs student or pupil fees may be filed within 12 months of the occurrence. Complaints regarding LCAP may be filed anonymously. Complaints regarding Pupil Fees may be filed anonymously and with the principal. If a complaint regarding LCAP or pupil fees is valid, then the parents are due full reimbursement. Staff has been trained to deal with these types of complaints.

Those complaining (Complainants) are protected from retaliation and their identities are confidential when related to discrimination. Staff dealing with complaints are knowledgeable about the laws and programs they are investigating. The complaint may be dismissed if complainant obstructs or does not provide all information. If the District acts in the same manner, the finding may be affected.

1. Complaints made under this procedure shall be directed to the Uniform Complaint Officer who is responsible for processing the claims. A complaint under the Uniform Complaint Procedure should be completed within 60 days from the receipt of the complaint. The Superintendent and complainant may agree in writing to extend the timeline.

2. You may contact the UCP Officer to obtain a copy of the complaint process.
3. You may choose to have your complaint mediated.
4. There shall be an investigative meeting after receiving the complaint.
5. The compliance officer shall send a written report about the investigation and decision. There are then five days to appeal to the Board of Education.
6. If you are not satisfied with the results, the complainant then has 15 days to appeal to the California Department of Education. The appeal must include a copy of the locally filed complaint and a copy of the LEA decision.
7. There is nothing in this process to preclude a complainant from pursuing available civil law remedies outside of the district's complaint procedures. Such remedies may include mediation, attorneys, and legal remedies. Civil law remedies may include, but are not limited to, injunctions and restraining orders.

For discrimination complaints, 60 days must elapse from the time an appeal is filed with CDE before pursuing civil remedies except for an injunction. Complaints may also be forwarded to appropriate state or federal agencies in the following cases:

American Civil Liberties Act 504: Office of Civil Rights

Child Abuse: Department of Social Services, Protective Services Division, or law enforcement

Discrimination/Nutritional Services: U.S. Secretary of Agriculture

Employment Discrimination: Department of Fair Employment and Housing, Equal Employment Opportunity Commission.

General Education: this school district

Health and Safety/Child Development: Department of Social Services

[EC 8235.5, 35186]

2. Complaints beyond the site authority will be forwarded to the District within 10 days.
3. Complaints may be filed anonymously. A response may be requested if complainant is identified and will be sent to the mailing address on complaint.
4. If the District is required to provide material in a foreign language based on California Department of Education census data and if requested, the response and report shall be written in English and the primary language in which the complaint was filed.
5. The form will have a box to request a response and indicate where to file the form.
6. Valid complaints should be remedied within 30 days of receipt.

The district has available upon request a complete and updated management plan for asbestos-containing material. No asbestos abatement activities are planned for the coming year. [40 CFR 763.93]

The District initiated an asbestos compliance program in 1989. In the past 12 months, no areas were noted at any site that required any action other than normal maintenance and custodial care. No asbestos abatement activities are planned for the coming year. If you have any questions

■ Pesticide Use

The District is providing parents the name of all pesticide products expected to be applied at school facilities this school year. Only fully certified pesticides can be used on school grounds. The identification includes the name and active ingredients. The school's Integrated Pest Management Plan (IPM) is updated by May 31 each year. The IPM, pesticide names and active ingredients, and application dates are posted on the school and/or district website at www.ses.k12.ca.us/domain/106.

Parents and guardians may register with the school or district if they wish to receive notification of pesticide applications at a particular school or facility. Notice of an application and written notice of unlisted pesticide use will be given 72 hours in advance. For an emergency application, 72 hours notice will be the goal. Each area of the school where pesticide is being used will be identified by a posted warning 24 hours before (or upon application, if an emergency) through 72 hours after use. Further information is available from the California Department of Pesticide Regulation, P.O. Box 4015, Sacramento, CA 95812-4015, www.cdpr.ca.gov. [EC 17610.1, 17612, 48980; FAC 13184]
